It seemed probable for awhile that Gerkly and the acress would wind up romewhere in the Russian colony on the lower East Side.

While waiting to hear from his messes sengers Gorky prepared a statement, which probably suffered in translation, as here is how it read in the nuised state.

"It think this discurreable act against me could not have come from the American recople. My respect for them does not allow me to suspect that flay lack so much courtesy in their fract ment of women, I think that this distance of women, I think that this distance of the work was the work of women, I think that this distance of the work of the work of the will be considered by the work of the work of the will be considered by the first stail. We would not have come from the American recopic, My respect that flay lack so much courtesy in their treatment of women, I think that this distance of the work of the wor For its remains to overlook the gossly of others.
